## Career Objectives

A dedicated and hardworking student with a strong passion for Interior Design. A creative, detail oriented individual that works well in a team and is looking for a placement that will encourage skills development and creativity.

## Work Experience

### Housing Developer placement

#### Self-employed

Aug 2017-Aug 2017

Liverpool

- Worked alongside a self employed housing developer and quantity surveyor.
- Had the opportunity to visit multiple properties and figure out whether the property would be financially viable.
- Looked at floorplans and proposed floorplans to see how spaces could be used more wisely.

### Interior Design placement

#### White Design

Feb 2017 - March 2017

Sheffield

- During my time at White Design I had the opportunity to sketch floorplans, create a floorplan in AutoCAD, design interior finishes, lighting layouts and create a physical sample board.
- Attended a Presentation meeting held for a client regarding the refurbishment of a student accommodation site.
